### Why aren't prices listed here?

We always try to offer the best possible price, but wrestling is a cyclical business, meaning prices go up or down based on product availability. This makes prices obsolete the minute this edition is published. Sometimes, it's in your favour.

However, to be fair, we don't publish a price in case they do go up between editions.

Also, by not listing prices here, it leaves us more room for the great merchandise!

### What if I live outside the U.S.?

The more wrestling fans in the world, the merrier!

All our business is transacted in U.S. Dollars.

Most Post Offices can give you a valid money order.

In some cases, we may accept foreign currency. Enquire for details.

## Ordering Info

### What happens if something comes broken?

You will have the opportunity to buy insurance for your shipment from the Post Office, UPS or FedEx.

SFP Inc. buys the insurance on your behalf and adds it to your order cost.

Since we watch all media and ship in padded packaging to guarantee the condition and playability prior to shipping, damage must be claimed directly from the carrier. We cannot be responsible for uninsured items.

### What if I'm just not happy?

We strive for speedy delivery and accuracy. But we're people too...so let us know what you want fixed and how we can make you forget!

Remember...since you approve your order before you commit to buy, there's no reason for you to be confused or unhappy.

Due to the proliferation of tape traders, we cannot accept returns, except for sealed items remaining sealed.

### What if I want something not in your catalogue?

We strive to keep as updated as possible, but our catalogue is constantly changing.

If you are interested in something & don't see it in our catalogue, just drop us an email ([orders@sfpincchicago.com](mailto:orders@sfpincchicago.com)) or phone 1-847-489-2087 anytime!

Not in the U.S.? Not a problem! We can special order many DVDs/VHS from other countries!

Although our goal is to keep items in our catalogue if we can special order them (which cuts down on editing time between editions), sometimes items in this catalogue do occasionally go temporarily out of stock. If we feel that an item is so unique that, once sold out, we cannot acquire it again readily, it will be removed from our next edition.

Our goal is to answer your questions within 24 hours of your request, because communication is the key to a successful transaction!

Please note, items in this catalogue do occasionally go temporarily out of stock.

As new media releases are coming out all the time, this catalogue is not intended to represent everything we have available or can acquire by special order.
